

Tripler Private Swim Lessons

Aloha,

How to Sign Up? You must visit the facility to fill out the Private Lesson Registration and Waiver form. An instructor will assist you in scheduling the classes.

***Disclaimer:** Only speak with the lifeguards; gym staff will be unable to assist you. Lifeguards will direct you to a WSI (Water Safety Instructor)

Please see the sign up dates and times below.

Regular Hours to Sign-Up	Special Hours to Sign-Up
Monday – Friday	First Wednesday of Each Month
11 a.m. – 2 p.m.	7 a.m. -2 p.m.
If you are unable to make these hours, please give us a call to set up a time for you to come in.	

Waiver and Registration forms will only be accepted in person (digital copies are unacceptable). The forms are located at main entrance to the pool from the gym, or with a lifeguard. Classes cannot be scheduled until the waiver is fully completed (front and back).

Scheduling will be on a first-come, first-served basis and month-to-month system. The great perk about the scheduling is that it does not have to be consecutive. Classes can be worked around your schedule within the month! Each session will be scheduled for the following month only (e.g.; register in March for April classes). Classes cannot be schedule for future months (limited slots).

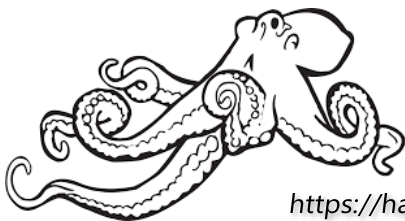

What happens if an instructor is not available at the time you come to fill out the waiver? You will be given a waiver to fill out that you will leave with the lifeguard. A WSI will then call you to schedule a time for you to come in to schedule, and pay for the lessons. You can also call prior to coming to the facility.

Payment will be collected immediately after the classes are scheduled with the WSI. Please be sure to check our hours of operation online or by calling (808) 433-5257, prior to driving to the facility. Refunds may be given depending on the situation.
