## US Army Garrison (USAG) Hawaii Statement of Understanding (SOU) & Compliance of Rules During Unmanned Hours

I understand and agree that my access to USAG Hawaii Physical Fitness Centers (PFC) during unmanned hours is a privilege governed by this SOU. I agree to abide by the terms and conditions of this SOU. I understand that failure to comply with the SOU will result in revocation of access privileges during unmanned hours.

## USAG Hawaii

## Statement of Understanding (SOU) & Compliance of Rules During Unmanned Hours READ CAREFULLY—THIS AFFECTS YOUR LEGAL RIGHTS

By my initials below, I express my understanding/compliance of, and agreement to the following:

1.	I will register my Common Access Card (CAC) and sign this form prior to accessing the PFC during unmanned hours.
2.	Surveillance cameras will be recording activities within the facility during unmanned hours. Actions such as theft, defacement or intentional damage to government property, sexual assault, inappropriate sexual behavior, and any violation of rules will not be tolerated and are subject to punishment. Violation of the rules will result in loss of privileges and individuals will be subject to the Uniform Code of Military Justice (UCMJ) and prosecution.
3.	All military ID cardholders may access the PFC during unmanned hours. By accessing the facility, I agree to report any misuse, abuse or violations of the PFC policies to the Military Police and/or the fitness center staff.
4.	For my safety and security, I must ensure that the door closes securely following entry and exit. All other doors WILL remain closed unless needed for an emergency.
5.	As a valid ID cardholder I will not allow any other person to access when I enter. "Piggybacking" is prohibited and will result in the loss of privileges for both parties. I am not permitted to have guests and non-registered users in the facility during unmanned hours.
ô.	There will be no supervision or assistance during unmanned hours and I am expected to behave in accordance with military rules, standards and the PFC SOP.
7.	I will swipe my military ID/CAC card for entry and my entry will be logged in the Fitness Center database.
3.	If I get a new ID/CAC I will bring it to the PFC during normal operating hours to have the barcode updated in the system or I will not have access.
9.	Holding or propping the door open is strictly prohibited and will result in immediate loss of my privilege. Sharing my CAC/ID card is considered theft of services from USAG Hawaii and will be prosecuted.
10.	Areas that are unavailable for use will be locked or clearly marked as restricted.
11.	Equipment must remain inside the fitness center and will not be taken outside of the facility under any circumstances. Any broken equipment must be logged in the binder provided at the front desk.
12.	I will identify and assess potential risks before engaging in any activity and will take reasonable precautions to mitigate risk of injury, including exercising with someone or using cardiovascular and selectorized equipment. Patrons are highly encouraged to use the buddy system.
13.	A spotter is strongly recommended when using free-weight bars. If a spotter is unavailable, a rack with spotter arms or other safety devices will be used. Additionally it is recommended not to exercise above my training limits and experience.
14.	I will re-rack all weights when I have completed my workout.

15.	I will use fitness equipment for its intended use. Do not use accessory attachments that are not recommended as such attachment might cause injuries.
16.	USAG Hawaii PFC is not responsible for my personal property. This includes property that is lost, stolen, or damaged while in, on, or about the premises.
17.	Patrons who are working out when the facility closes must exit the facility and swipe back in to continue their workout.
18.	All normal rules for proper dress, machine usage (including wiping down equipment after use) and etiquette remains in effect.
19.	In the event of a Natural Disaster, Major Accident, or active shooter, I will execute lockdown or evacuation procedures immediately, whichever is warranted for the incident at hand. The highest ranking member will take charge during lockdown situation and proceed to contact his/her UCC for further instruction.
20.	In the event of a power outage I will gather my things and exit the facility immediately.
21.	Access during unmanned operations will be granted through the expiration month on the military ID, or 36 months for IDs that do not have an expiration date. At that time it will be required to visit the front desk during normal business hours for reactivation. The Fitness Center Manager has the right to terminate your privileges at any time.
22.	I understand that the PFC does not provide supervision, instruction, or assistance for the use of the facilities and equipment during unmanned hours.
23.	I agree to comply with all rules imposed by the PFC regarding the use of the facilities and equipment. I agree to conduct myself in a controlled and reasonable manner at all times, and to refrain from using any equipment in a manner inconsistent with its intended design and purpose.
24.	I understand and acknowledge that the use of exercise equipment involves risk of serious injury, including permanent disability and death.
25.	Violation of this SOU and Assumption of Risk will result in loss of my privileges during unmanned hours and subject me to further discipline. The first violation will result in a 90 day suspension and requirement to complete another orientation to gain access. The second violation will result in a loss of privileges indefinitely.
26.	PRE-EXISTING MEDICAL CONDITIONS. I represent that I am in good physical health and have no symptoms, medical conditions, impairments, or diseases that might be aggravated, worsened, or induced by my intended use of the PFC. If I have any health or medical concerns now or after I register, I will immediately discontinue my use of the fitness center until I am cleared for physical activity by a physician. I agree not to engage in a use of the fitness center that will result in self-injury.
