"NEW" GENIE SERVICE OPTION: Disney Genie+ service offers the opportunity to reserve on the day of park visit an expedited access window for certain attractions and experiences in the theme park or theme parks that the ticket holder visits with the ticket. Disney Genie+ service allows the ticket holder to hold an expedited access window for only one attraction or experience at a time. Some attractions and experiences are not available on Disney Genie+ service and the number of expedited access windows for each eligible attraction or experience is limited. The expedited access window offered to the ticket holder by Disney's Genie+ service may be next available. Ticket holder will need to have the My Disney Experience mobile app on day of park entry to use Disney Genie+ service. The Disney Genie+ service user interface is in English language only. It is expected that more than 50 attractions and experiences throughout the four Walt Disney World theme parks will have expedited access windows reserved with Disney Genie+ service. Disney Genie+ service also includes some in-park audio experiences and some special in-park functionality that can be used on certain photos taken by guest while in the park.
