* Indicates a school that is assigned to a temporary lodging facility

★ Indicates a school that has received the Purple Star Norbert Hawaii Award for excellent support to military-connected students

If you are staying in temporary lodging, there is a designated temporary school for your child to attend until your family receives permanent housing (see below). Hawaii does not offer the school choice option; therefore, you should choose your permanent home wisely as your child will be assigned to a school based on the street you live on. If you move to a home that is assigned to a different school than your temporary lodging school, your child will be expected to move to the new school because temporary schools do not have space to accommodate temporary students all year long. Geographic Exceptions (G.E.s) to attend a different school than your assigned school are rarely granted.

For children staying at:

Your temporary school is:

The Inn at Schofield	Daniel K. Inouye El (Gr K-5); Wheeler Middle (Gr 6-8); Leilehua High (Gr 9-12)
Tripler Guest House	Moanalua El (Gr K-6); Moanalua Middle (Gr 7-8); Moanalua High (Gr 9-12)
Best Western Plaza or Airport Honolulu Hotel	Nimitz El (Gr K-6); Āliamanu Middle (Gr 7-8); Radford High (Gr 9-12)

Kindergarten in Hawai'i is a mandatory, full-day program with no afternoon naps. A child must be 5 years-old on or before July 31 of the school year they are enrolling in to attend kindergarten.

REGISTRATION INFORMATION

Please contact the front office of your child's school to register. Offices are open year-round (to include fall, winter, spring, and summer breaks), Monday - Friday, 8:00 a.m. – 3:30p.m. and they are closed on State and Federal holidays. The ideal registration hours for most schools is 9 a.m. – 11 a.m. (Solomon Elementary only allows enrollments between 8:30-11am). After all paperwork is submitted, your child will be able to start school in approximately two days. You do not need to wait for permanent housing for your child to start school, they can attend a temporary school in the meantime. However, if housing can provide you with written documentation of your permanent address or community area, your child may be able to start at their assigned, permanent school while in temporary lodging. Parents will be expected to provide transportation to and from school in this circumstance.

Children registering in Hawaii for the first time need:

1. Student's original birth certificate
2. Valid government-issued photo ID of a parent listed on the birth certificate
3. Report card or records from the previous school
 - If they were not released, provide contact info for the previous school and the Hawaii school will request these documents directly
 - Sealed packets are acceptable, if applicable
4. Medical records, including:
 - Up-to-date shot records for your child's age
 - Physical examination by a licensed physician within 12 months of date enrolling for school. Students without a current physical may start school with a documented, upcoming appointment date. Contact the Central Appointments Office at 433-2778 to schedule an appointment and for additional information. A student can start school without a physical, as long as an upcoming appointment is scheduled.
 - A tuberculosis (TB) clearance completed in a U.S. facility is required before your child can attend their first day of school. Students arriving from overseas should wait until they arrive in Hawaii to get the assessment done. Your child's Primary Care Physician will conduct a screening to determine if a Tuberculosis Skin Test is required. The Desmond Doss Health Clinic Immunization Service (Walk-in) can be reached at (808) 433-6661. The Tripler Army Medical Center Pediatric Immunization Clinic can be reached at (808) 433-6234.
5. Proof of residency (housing papers, hotel contract or invoice, utility bill, etc.).
6. Special needs students should provide an IEP or 504 and all prior assessments and/or evaluations. Gifted and Talented students should bring in all prior documentation. Schools may perform their own evaluation(s) of your child in order to ensure placement in the appropriate program.
