### 2026 USARHAW INSTALLATION VOLUNTEER RECOGNITION CEREMONY “**Theme: TBD**”

#### OVERVIEW

Volunteers play an essential role in installation programs that affect Soldier, Family, organization, and installation readiness. Recognition for volunteer service not only fosters retention but also promotes continued volunteer program development.

The U.S. Army Hawaii (USARHAW) Installation Volunteer Recognition Ceremony is an event to recognize exemplary achievement in volunteer service to USARHAW. This year's ceremony will be held on **Wednesday, 22 April 2026** at the 604 Ballroom & Conference Center, 1249 Kolekole Avenue, Schofield Barracks, Hawaii. The theme is, "**TBD**". This year's ceremony will recognize individuals through two types of USARHAW-specific awards; the USARHAW Installation Volunteer(s) of the Year and the USARHAW Na Koa Award. The Volunteer Awards Review Committee will review the submissions and base their decisions (approval/disapproval) by comparing the nomination justification write-up with the established criteria. Volunteers are required to register and document hours in the Department of Army web-based Volunteer Management Information System (VMIS) located at [www.armyfamilywebportal.com](http://www.armyfamilywebportal.com). In accordance with USARHAW Regulation 1 – Army Volunteer Corps (AVC) Program, all USARHAW Tenant organizations must appoint an Organization Point of Contact (OPOC) to serve as the Volunteer Manager for their Volunteer Program. The OPOC shall certify their volunteers' hours by the 15th of each month. This process is required to allow the installation to track the contributions of our volunteer workforce as well as provide benefits allowed by regulation and coverage under Federal Statute.

In addition, Organizations and MACOM/Tenant units may elevate their internal, **VMIS-registered** Volunteer of the Year awardees to be recognized at the USARHAW Installation Volunteer Recognition Ceremony and receive a Certificate of Appreciation (Civilian) or Certificate of Achievement (Service Member).

USARHAW leadership at all levels encourages internal award events held from Company to Division levels and organizational levels to recognize volunteers and ensure that the volunteer program is fully supported. Volunteers should be recognized through a hierarchy of awards. It is critical that units and/or organizations establish an internal recognition schedule that fits their own needs/requirements. Guidelines may be established in the organization's Standing Operating Procedures or other publication, such as a Soldier and Family Readiness Group handbook. Unit Commanders and or organization directors should work closely with Volunteer Coordinators to develop these guidelines.

### VOLUNTEER STATUS:

**A. Statutory Volunteers.** Federal statute, 10 USC S1588, gives the Department of Defense (DoD) authority to accept certain voluntary services. When properly registered and working under a written position description, volunteers are covered under the Worker's Compensation Act and the Federal Tort Claims Act. Authorized programs include, but are not limited to, the following:

- (1) Medical, dental, nursing, or other health-care related programs.
- (2) Museum or natural resources program.
- (3) Programs providing services to members of the armed forces and their Families to include:
  - (a) Family support programs.
  - (b) Child development and youth programs.
  - (c) Library and education programs.
  - (d) Religious programs.
  - (e) Housing referral programs.
  - (f) Employment assistance to assist spouses of such members.
  - (g) Morale, welfare, and recreation programs, to the extent not covered within 10 USC S1588, S1491.
  - (h) Member of a funeral honors detail under section 10 USC 1491.

**B. Private Organization Volunteers.** Private organizations are self-sustaining, non-Federal entities, which are operated on Army/Department of Defense (DoD) installations, such as the Spouses Clubs, Boy/Girl Scouts, etc. Volunteers participating in activities sponsored by these organizations, whether or not it is in direct support of an installation activity, are the responsibility of the sponsoring organization, to include all liability.

### REGISTRATION AND HOUR DOCUMENTATION:

**A. Statutory volunteers.** All statutory volunteers must be registered at the installation level with the AVCC office using the Department of Army's web-based tracking system, the Volunteer Management Information System (VMIS). The system is available at [www.armyfamilywebportal.com](http://www.armyfamilywebportal.com). In addition to the web-based registration, a Department of Defense (DD) Form 2793, Volunteer Agreement for Appropriated Fund Activities or Non-appropriated Fund Instrumentalities must be completed for each statutory activity. Youth volunteers (ages 10-17) must also be registered in the VMIS. A parent/guardian must sign the DA Form 5671, Parental Permission Form. The original copy of the DA2793 must be kept in the unit/organization files.

**B. Private organization volunteers.** Authorized private organization volunteers do not qualify for benefits as outlined under the federal statute, therefore do not complete DD Form 2793. Private organizations, whose primary mission is to provide service to the installation, Soldiers and their Families, may request to participate as an installation volunteer program. Approval will allow organization volunteers to participate in all installation sponsored activities such as awards, training, and quarterly recognition activities. All volunteers associated with the private organization must also be registered within the VMIS and follow the same hour documentation procedures as statutory volunteers.

### ADDITIONAL GUIDANCE:

**1. Interview your volunteer nominee. It is acceptable practice to ensure you have all the information you need. Most people are flattered to be nominated as a volunteer.**

- a. Ask all the questions you need to and listen for information you can use to support your own thoughts and ideas.
- b. If permitted by the volunteer nominee, contact people who work for and with them.

## Attachment 1

c. Gather as much information as possible. Be accurate and write down specific examples that will reinforce why you believe the volunteer deserves recognition.

**2. Focus on the program that the volunteer nominee contributed the most to.** Provide detail explaining the program or services, then describe the nominee's other volunteer work or leadership positions as they rank in importance.

**3. Organize your thoughts carefully and follow the nomination format.**

- a. Focus on key questions.
- b. Detail accomplishments and their impact.
- c. Describe leadership abilities and how the nominee has made a difference through volunteerism.
- d. Create a unique picture of nominee.

**4. Provide the unit's selection committee with complete information** about the nominee and organization that they volunteer with. It is important to tell the nominee's story as you would to a stranger.

**5. Describe unique specific characteristics** to avoid being generic. Choose one or two qualities that make this person truly outstanding and then give specific examples (i.e. listening, teambuilding, collaboration, creativity, and professionalism).

**6. Nominees who have initiated a program** that addresses a community problem or provides a needed service attract attention. Be sure to include examples of how the program had an impact and what results were achieved. Include any unusual challenges the nominee had to overcome (i.e. handicaps, limited funding, and public perception). Describe the amount of time and resources spent on the activity or service.

**7. Verify all information on the form.** Selected nominations are checked carefully to verify all information that is submitted.
