* Indicates a school that is assigned to a temporary lodging facility

★ Indicates a school that has received the Purple Star Norbert Hawaii Award for excellent support to military-connected students

If you are staying in temporary lodging, there is a designated temporary school for your child to attend until your family receives permanent housing. Hawaii does not offer the school choice option; therefore, you should choose your permanent home wisely as your child will be assigned to a school based on the street you live on. If you move to a home that is assigned to a different school than your temporary lodging school, your child will be expected to move to the new school because temporary schools do not have space to accommodate temporary students all year long. Geographic Exceptions (G.E.s) to attend a different school than your assigned school are rarely granted.

The ideal registration hours for most schools are 9 a.m. – 11 a.m. After all paperwork is submitted, your child will be able to start in approximately two days. Parents will be expected to provide transportation to and from school in this circumstance.
