TEMPORARY LODGING

While you are staying in temporary housing, there are designated schools for your child until your family receives permanent housing. Choose your home wisely; your child will be assigned to a school based on the street you live on. If you move to a house that is located in a different district than your temporary lodging, your child will be assigned to a different school. The temporary schools do not have space to accommodate temporary students all year long. Geographic Exceptions (G.E.s) to attend a different school are rarely granted.

Families staying in a temporary or permanent location not listed above, please refer to page 2 for contact information for the appropriate Hawaii DOE District Office.

Students with special needs should contact the Army Community Service, EFMP Program Manager at (808) 655-4777. You may also request to be added to the EFMP email distro list to receive EFMP updates and information.

Families that are planning to homeschool should visit their child’s assigned school to complete the Exceptions to Compulsory Education Form #4140. For more information on homeschooling, please visit: <http://www.hawaiipublicschools.org/ParentsAndStudents/EnrollingInSchool/Choosingaschool/Pages/Homeschooling-FAQs.aspx>

REGISTRATION INFORMATION

You can go directly to the school office to register your child, even in the summer. They are open Monday - Fridays, 7:30 a.m. – 4:00 p.m. and are closed on State holidays. The ideal registration hours for most schools are 8 a.m. – 11 a.m. After all paperwork is submitted, your child will be able to start in about two days. You do not need to wait for permanent housing for your child to start school, they can attend a temporary school in the meantime. However, if housing can provide you with written documentation of your permanent address or community area, your child may be able to start at their assigned, permanent school while they are still in temporary lodging as long as you provide transportation to and from the school.

Children registering in Hawaii for the first time need:

1. Original Birth certificate
2. Report card/records from the previous school.
 - Contact info for the previous school is sufficient if records were not released
3. Medical records, including:
 - Updated shot records
 - Physical examination by a licensed physician within 12 months of date entering school. Students without a current physical may start school with a documented appointment date. Contact the Central Appointments office at (808) 433-2778 to schedule an appointment and for additional information.
 - A tuberculosis test with a negative reading performed within 12 months of date entering school. The Schofield Barracks Allergy and Immunization Walk-in Clinic can be reached at (808) 433-8145. SB Clinic hours: Mon-Fri (0800-1100); Mon, Tues, Thurs, Friday (1300-1500), Wed (1300-1400). **TB tests are not administered on Thursdays.** Tripler Army Medical Center does not have a Walk-in Clinic for children. Please call Tripler at 433-6661 for more information. If you are new to Hawaii, please register first with United Healthcare. For questions regarding United Healthcare, you may call (877) 988-9378.
4. Proof of residency (housing papers, hotel contract or invoice, utility bill, etc.).
5. Special needs students should provide an IEP or 504 and all prior assessments and/or evaluations. Gifted and Talented students should bring in all prior documentation, but the school may perform their own evaluation(s) in order to place your child in an appropriate program.
