restrictions that will govern leafleting, picketing (two or more persons marching or patrolling in a circumscribed area while communicating to the public about a labor dispute), assemblies, and demonstrations on that military installation. Note that the application of this policy memorandum's related prohibitions remains for all other USAG-HI installations.

(b) For purposes of this Policy Memorandum, Fort DeRussy is defined as the area bounded by Ala Moana Boulevard from its intersection with Kaha Road to Kalakaua Avenue, Kalakaua Avenue to Saratoga Road, Saratoga Road to its intersection with Kalia Road and continuing to the boundary of the Fort DeRussy Beach Park (Duke Paoa Kahanamoku Beach Park), along this boundary to Paoa Place, Paoa Place to Kalia Road, and Kalia Road to Ala Moana Boulevard. Fort DeRussy's park areas means the public sidewalks, pedestrian footpaths, greenspace and beach areas within Fort DeRussy, and excludes tennis courts, volleyball courts, pool areas, parking lots and garages, buildings, the driveway leading to the parking garage on the mauka side of Kalia Road opposite the Hale Koa Hotel, the driveway leading to the open-air parking lot at the intersection of Kaha Road and Saratoga Road, the driveway from Maluhia Road on the makai side of Kaha Road to the entrance of the Hale Koa Hotel, or the driveway leading to the Army Museum, and any areas adjacent to the Hale Koa Hotel to which the public does not have free access or are cordoned off for private functions. Public sidewalks includes all sidewalks to which the public has access except for the sidewalk between Kalia Road and the Asia Pacific Center. The City and County of Honolulu exercises concurrent jurisdiction over Kaha Road and may have authority to require a permit for marches or demonstrations on Kalia Road.

(c) Permitting.

- Leafleting, picketing, and marches and demonstrations involving more than 100 people require notice and a permit. For groups of 100 people or less or activities limited to public sidewalks, a permit, though not mandated, is encouraged.

- Written application for a permit shall be made to the General Manager, Hale Koa Hotel, by facsimile at (808) 955-9466 or by e-mail at LeBrunR@halekoa.com no less than 48 hours prior to the planned activity. A limited spontaneous expression exception to this 48 hour rule allows for rapid responses to unforeseeable and recent news events. In such cases no permit would be required for marches or demonstrations, although as much notice as possible shall be given under the circumstances.

- The following information shall be provided in any application: (a) area or areas which will be utilized in connection with the proposed activity; (b) date and the

APJA-CG

SUBJECT: Policy Memorandum Installation-1, Discipline, Law, and Order

specific times of the proposed activity, including any set-up and tear down time; (c) area or areas to be utilized for the proposed activity; (d) short description of the nature of the activity; (e) number of persons expected to participate in the activity; (f) name, address and telephone number of the person or persons to be contacted regarding the application or permit, and, if different, the point of contact who is to be on the grounds for the duration of the event for control and coordination with the Hale Koa Hotel designee; and, (g) any identifying or distinctive uniforms or attire.

- Decisions to approve a limited use permit application will be content neutral. The approving authority will consider whether the preparation for or the conduct of the proposed activity unreasonably and unfeasibly burdens resources necessary to preserve the public's use of the area or areas to be utilized, whether it unduly impedes, obstructs, or interferes with the operation of emergency vehicles or equipment in or through the area or areas to be utilized, and whether the proposed use, event, or activity presents a substantial and unwarranted safety or traffic hazard. Because of potential for competing uses, priority may be given to reservations on a first come basis. Where the applicant has submitted a timely and complete application, a permit determination should be issued no later than 12 hours prior to the proposed event.

- Restrictions. The following specific restrictions apply within the limits of Fort DeRussy. The park is closed between 2200 and 0500. Except as authorized by permits, and subject to the terms and conditions imposed by the U.S. Army, it remains unlawful for any person to: (a) consume alcohol on park grounds; (b) hang banners, tents, tarps off trees or nails in trees; (c) erect any tent or tarpaulin structures; (d) sell or offer for sale any commercial service or merchandise; (e) unduly impede, obstruct or interfere with the free flow of pedestrian traffic; (f) have unauthorized vehicles on lawn areas; (g) distribute, post, or place leaflets or handbills on vehicles or affix leaflets, handbills or posters to street signs, streetlights, and benches. Failure to comply may lead to immediate termination of permit use. Any damages to property resulting from exercise of the permit privileges shall be promptly repaired or corrected by the organization at no expense to the U.S. Government.

(d) The above provisions related to Fort DeRussy have no effect on the authority of the Army or any other entity to enforce rules, regulations and statutes on Fort DeRussy, other than Policy Memorandum Installation -1, Discipline, Law, and Order, including, without limitation, those related to the disruption of traffic.

(e) The U.S. Army maintains the right to change the character of Fort DeRussy from a public forum to a restricted area and enforce the restrictions of Policy Memorandum Installation -1, Discipline, Law, and Order, as applied to other military
