Instructions for registering your family for Summer Reading Program
ONLINE REGISTRATION BEGINS JUNE 3

1. Go to https://ftshafterlibrary.beanstack.org or https://sgtyanolibrary.beanstack.org
2. Scroll down until you see the options to register for beanstack. Click on "Register an Individual or Family."

Get started by registering below.

| Register an Individual or Family	Register a Class or Group

3. It will bring you to a screen that asks you who you would like to register. Begin by registering yourself, then you can participate as well as the other members of the family. Select "I am registering myself."

Who would you like to register?

I am registering myself.	I am an adult registering a child.

4. The next screen asks for information about the person being registered. Fill out the information and then select next.
