

Arts & Crafts

Join us as we take a journey around the world through Art. Each month we will study and get inspired by a different artist and their masterpieces. Students will create art projects using different art styles and techniques.

July	Carlos Jacanamijoy	Colombia
August	Pablo Picasso	Spain
September	Andy Warhol	USA
October	Edward Munch	Norway
November	Gustavo Klimt	Austria
December	Katsushika Hokusai	Japan

Art styles and techniques:

Drawing – Learning art fundamentals through basic exercises designed to explore line, shape, value, proportion, form and space.

Painting – Experience a myriad of painting techniques, including the basics of color mixing, paint application and tool selection. Painting media includes acrylic and watercolors.

Soft Pastels – Learning techniques for successful art making with soft pastels. Introduction to fundamentals of composition and use of color mixing with pastels.

Ceramics and Hand building clay – Learn beginning clay handling techniques to create fun projects, including discussion on tools, safety and ceramic glazes.

Collage – Collage art is a unique way for the students to express themselves. Using art elements, collage techniques and principles of design.

Mosaic Tiles – Students use ceramic and glass tiles to create a beautiful mosaic.
