\$40 November 9th, Friday 7pm – 9pm

COLOR POP YOUR FUR BABIES (Paint your pet)

A single art class for adults .You must be 18 and older, 20 people max. Includes all supplies needed and instruction. The student needs to register ahead of time and make sure to send an email with their fur baby face 3 weeks prior – if picture is not received 3 weeks in advance, the customer will not be able to participate, (see examples attachment) that way the instructor would have enough time to make a copy of their pet and have it the right size for the canvas. If the student pays for the class and doesn't send the picture they would lose their spot and automatically be put on a waiting list for the next available class. The class would be focusing on helping the students design and put together a colorful painting of their fur baby. 15 minutes before the class end, we will share and talk about each person's project and take pictures of the group.

Pre-registration required.
