The Malasada Mile Fun Run is a 2-mile route with a tasty twist— along the run, participants will stop to enjoy quarter samples of malasadas at designated checkpoints.

Limited to 200 participants.

A malasada is a Portuguese doughnut, a ball of slightly sweet, eggy dough deep-fried until golden and fluffy, then rolled in sugar, famous in Hawaii but originating from the Azores.

**Bring the whole 'ohana for a morning of fitness and fun!**
