Dear Parents and Guardians,

Come sail away for a summer of fun as Schofield Barracks School Age Center takes off on a

SUMMER CRUISE

We are shaking up Summer Kinder Camp with three specialty camps each week to specifically meet the interests of our Kinders. Specialty camps will run from 9:30-11:30 each morning, for one week. We begin the week with our "Wake Up, Shake Up" starting the day off motivated with a group song and perhaps even some games.

In the afternoon, our cruise ship theme takes over and we experience new ports and excursions (group games and activities) to help extend the excitement from the morning.

Our field trips will be based on the port of the week. Our port in Africa sends us to the zoo to explore the Savanna. Docking in the Bahamas we travel to Sea Life Park to investigate marine life in the warm waters of the Caribbean. We also are inviting guest speakers to come and share their talents with our center. We are committed to offering a well-rounded, eventful summer camp experience for each and every child.

Come share the fun, expand your knowledge, learn life skills, take home camp swag and make memories and new friends.

The Ocean is Calling, Come Sail Away!
