

IT'S EASY TO STAY NAF WHEREVER YOU GO!

MOVING? NO PROBLEM!

Your job relocates when you do — with Family and MWR.

Child and Youth Program Assistants (CYPAs) and many other Army NAF employees (NF-03 and below, NAF FWS and CY) can now request a transfer to another installation through the Army NAF Civilian Employment Assignment Tool (CEAT).*

Keep doing what you love — and keep your professional momentum, too. Your education, certifications, background checks, and employment screenings move with you.

Visit www.ArmyMWR.com/CEAT to register and learn more.

*Transfer requests are only authorized from one Army installation to another installation or a Joint Base if it is serviced by Army NAF Human Resources.
