Working with your hands to create something enhances a balance in one's life by providing a sense of pride and accomplishment. Providing relaxation and a sense Learn to make your own ti-leaf lei! This workshop will teach you to identify the plant, pick and prep the leaf for weaving, and to make your own lei. The ti-leaf plant was originally brought to Hawaii in their early migrations to the islands. It is believed the plant protects you from evil elements and may provide good fortune! Consider learning to present a ti-leaf lei for special occasions.
