## COVID-19 PRE-SCREENING REQUIRED FOR ENTRY

Per Department of the Army COVID protocols for areas of high transmission, all attendees (age 5 and up) to Saturday's Independence Day Celebration are required to be fully vaccinated for COVID 19, or to have tested negative within 72 hours of the event.

For your convenience, U.S. Army Hawaii has developed a simple online screening tool for all attendees (or groups of up to 15 members of the same household) that will be made available 72 hours prior to the event. After answering the screening questions, individuals/groups are provided a green confirmation screen to be presented at the venue entry control points and is valid for the entire celebration event.

Pre-screen yourself and your family 72 hours prior to the event at
