

Join us in honoring the heroic sacrifice of the FDNY firefighters who gave their lives on September 11, 2001.

2026 9/11 Memorial Stair Climb Challenge participants will climb 110 floors on a Stairmaster, symbolizing the 110 stories of the World Trade Center.

Each climber pays tribute to an FDNY firefighter, completing their heroic journey to save others. This challenge is more than a workout—it's a powerful way to remember the bravery and sacrifice of the 343 FDNY firefighters who selflessly gave their lives so others might live.

Through the participation of Soldiers and the Army community, we ensure that each firefighter is honored and that the world knows and will:
