## *Purpose:*

To design and construct a cardboard boat that can carry two team members, a captain and first mate. It will need to be able to stay afloat for approximately 50 meters (around/through the pool obstacle course). Boats must be constructed prior to event. Teams are responsible for providing all the materials used to construct the boat. Oars, sails, paddles must be made of cardboard.

**ALL contestants must wear a life jacket during the race (they can bring their own coast guard approved PFD if they have it).**
